Product image requirements

Listings that are missing a main image will not appear in search or browse until you fix the listing. Choose images that are clear, information-rich, and attractive. Images must meet the following requirements:

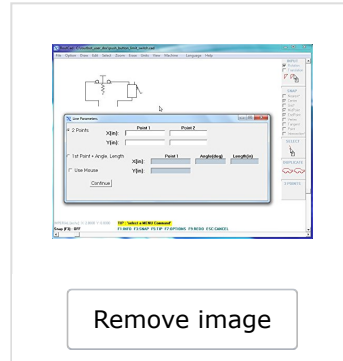

- Products must fill at least 85% of the image. Images must show only the product that is for sale, with few or no props and with no logos, watermarks, or inset images. Images may only contain text that is a part of the product.
- Main images must have a pure white background, must be a photo (not a drawing), and must not contain excluded accessories.
- Images must be at least 1000 pixels on the longest side and at least 500 pixels on the shortest side to be zoom-able.
- Images must not exceed 10000 pixels on the longest side.
- JPEG is the preferred image format, but you also may use TIFF and GIF files.
